MEMORANDUM FOR: Chief, Special Projects Branch

SUBJECT : Proposed Curriculum, USAF Aerospace Operations Course

REFERENCE : COR-1466, dated 20 Nov 61, Memorandum for the Record, Subject-Senior Officer Space Orientation Course

1. We have attached for your information a resume of the USAF Aerospace Operations Course, which was requested by your staff.

2. It is our understanding that this course will be limited to Lieutenant Colonels and above. However, we understand that waivers may be granted by Headquarters USAF. Since this course has not been listed in the USAF Training Prospectus, we do not have available to us at this time the prerequisite qualifications for attendance at this course. However, we assume that the nominees must meet qualifications similar to those required for attendance at the Senior Officer Space Orientation Course. Further, class dates for specific courses have not been designated.

3. Advise the names of the people you desire to attend this course in order that quotas may be requested.
